CONNECT

RepConnect equips Distribution Reps with an easy to use, efficient solution for storing and sharing product brochures, white papers, and rep lists. With this revolutionary tool, Reps can share YOUR information and documents with their accounts in just a few clicks.

LISTING FEATURES:

- Company name, phone number, fax number, and address
- A short company description
- Company location on a map
- Direct link to website
- Product brochures, white papers, and rep lists – selected by you
- Free listing updates
- Listing will be posted on App for both iPhone and blackberry
- Reduce printing costs, while going green
- Generates a “Now response” from the rep

Now reps can learn about your products, contact you easily, and share your literature - without having to search through hundreds of papers!
